### College Motto

The College is named after St Aloysius Gonzaga, a 16th century prince, heir to the throne of Marquisate of Gonzaga in Italy. He had at his disposal everything he could have desired in life. Yet, inspired by a deep spirit of faith and moved by a profound love for humankind, he renounced his privileges at an early age of 18 and entered the Jesuit Order to be a religious, surrendering himself to God in the service of others.

The College Crest has the letters, IHS in the centre of the rising sun. This is the abbreviation of the name of Jesus (which in Greek is written as IHSUS). That name symbolizes deepest faith in God, commitment to humanity and the readiness to sacrifice one's life for others. It articulates the deep desire of the Alma Mater to creatively promote Men and Women with knowledge, genuine love and concern for others.

May your life measure up to the expectation of this Motto.

## Empowering Youth through Excellence in Education to shape a better future for humankind.

St Aloysius Institutions of the Mangalore Jesuit Educational Society inspired by the person and mission of Jesus Christ, and guided by the motto "Lucet et Ardet" meaning "Shine to Enkindle" commit themselves to spread the light of knowledge and wisdom and to kindle the ardor of faith that does justice by forming men and women for and with others, who are:

- Academically accomplished
- Emotionally balanced
- Morally upright
- Socially responsible
- Ecologically sensitive
- Professionally dedicated

so that they become a powerful force for the transformation of Society.

## ABOUT US

### ST ALOYSIUS COLLEGE

Founded in 1880 by the Jesuit Fathers, St Aloysius College has been one of the premier educational institutions in Mangaluru offering quality education to the youth. It is the oldest College in this part of the country managed by the Mangalore Jesuit Educational Society (MJES). The College has produced eminent scholars, professionals, entrepreneurs, politicians, bureaucrats and social workers of repute. The College has been conferred with Autonomous status in 2007 and is reaccredited by NAAC with 'A' grade. It has also been recognised as 'College with Potential for Excellence' by UGC and College with STAR STATUS by DBT, Government of India. It has also been recognised as 'College with Potential for Excellence' by UGC, College with STAR STATUS by DBT, Government of India and the Centre for Research Capacity Building under UGC-STRIDE .

### ST ALOYSIUS INSTITUTE OF CIVIL SERVICES

St Aloysius Institute of Civil Services was established on 12 January 2019 to promote Civil Service aspirants. It was the outcome of an astute realization of the need for a full- fledged coaching establishment in the region. The Institute aims at offering a comprehensive package to Civil Service aspirants and preparing them with a competitive edge for the Preliminary, Main and Interview rounds of Civil Services Examination. The Institute's mission is to widen the knowledge base, deepen the aptitude and sharpen the skills of the candidates. Since its inception in 1880, St Aloysius College Institutions have been offering courses and programmes at multiple levels.

St Aloysius Institute of Civil Services offers a full time course for those who have completed graduation, post graduation or an equivalent degree of a university and a weekend course for undergraduates. Annual orientation programmes are conducted on career options for the students of high school and higher secondary/ PUC. The Institute is meant to advance the career prospects of youth who have the potential for high-ranking Civil Service placements but cannot afford the Expensive coaching available only in big cities. Most of our talented youth are constrained due to lack of access to quality coaching and updated study material.

The Institute wishes to bridge this gap by offering an affordable coaching facility within the easy reach of the candidates. The institute has been running successfully over the years with a state-of-the-art facility and training by serving officers. The institute has signed an MOU with INSIGHTS IAS, Bengaluru. to provide a holistic academic support to the civil services aspirants.

## INSIGHTS IAS

Founded in the pristine character of flawless teaching methodology and fine mentoring, Insights IAS has driven students to attain time-sensitive goals and smoothly adapt into leadership roles that shape India. At the core of the institute lies a vibrant and truly diverse community. Underpinning its offering is a network of gifted communicators - expert and enthusiastic teachers, who are dedicated to making their courses both academically rigorous and immensely enjoyable. Graduate, postgraduate students and working professionals from diverse backgrounds come together as fellow classmates enriching each other's experiences and expanding their horizons through 'experiences of life.

' Insights IAS has been loftily nurturing their pupils and seeing them crack the Civil Services Examination with poise. Annually 20% of the seats are secured by the Insights IAS alumni in the Civil Service Examinations which explains the institute's rich and rewarding mix of courses, creative teaching methodology and maximum academic exposure in an inspirational environment. It all adds up to a winning combination of innovation and tradition: the best of both worlds.

The plenary alternative learning technology that is employed in the classrooms at Insights IAS since 2013 is based on the concept of lateral thinking. It is formulated to promote creativity, critical thinking and effortless learning. The classroom sessions are supplemented with learning aids and exhaustive study material that result in timely completion of the courses while offering panoptic coverage and an unwavering foundation.

Students are welcomed into the committed community and are encouraged to share their experiences and abilities to evoke a sense of cross disciplinary study supported by the structured educational programmes to model their respective career choices.

## OUR ASSOCIATION WITH INSIGHTS IAS

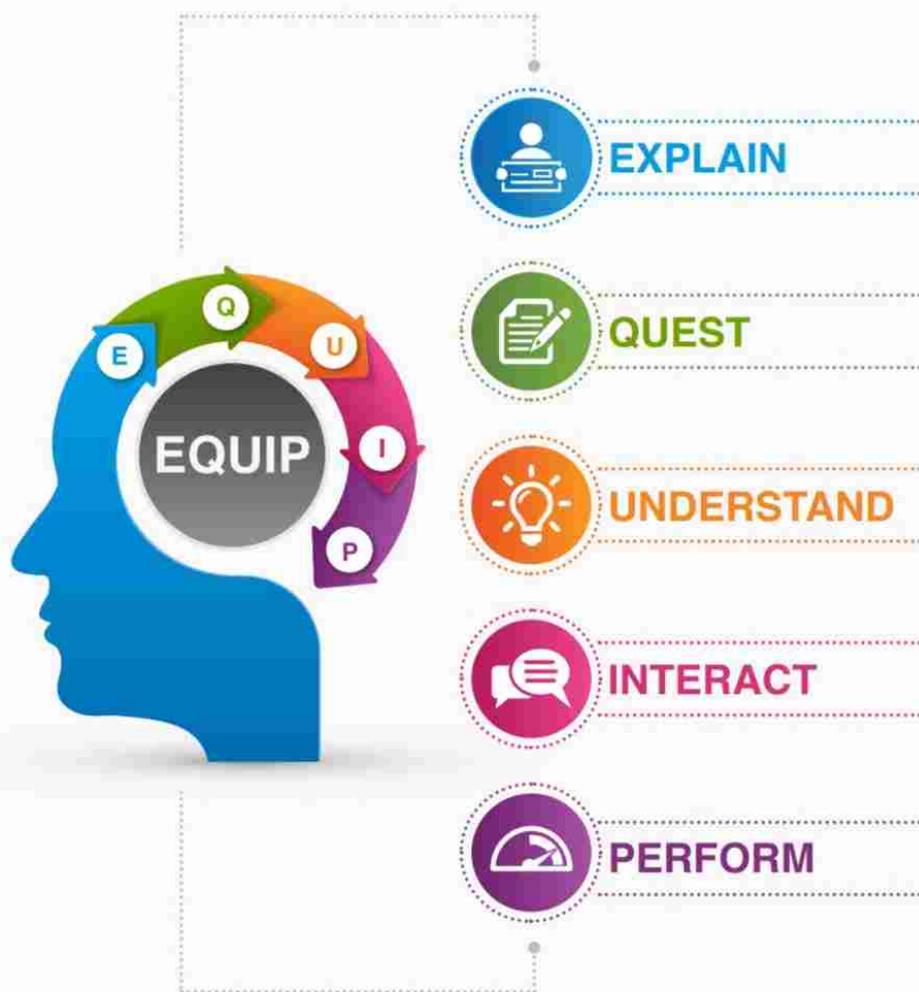

St Aloysius Institute of Civil Services is associated with Insights IAS ,Bengaluru with a goal of providing quality training to the aspirants of UPSC / KPSC and other Central / State related exams. The classes are conducted through offline Classroom mode in our center at St Aloysius Institute of civil services. The students can interact with the faculty there and then and have clear picture of the concept . The support provided by Insights IAS is supplemented by the Academic Experts drawn from St Aloysius Institute of Civil Services. The excellence with Insights IAS is evident from the fact that many State Governments have taken recourse to Insights IAS by training the Civil Service aspirants from their state

## EQUIP STRATEGY

The InsightsIAS Way

Our unique EQUIP strategy of Insta Classes is built on fundamentals of pedagogy that strives to enable an IAS aspirant to clear all three stages of the examination by acquiring knowledge and skills, helping them to be at their competitive best.

**EQUIP stands for:**

## EQUIP STRATEGY

The InsightsIAS Way

### EXPLAIN

Key to succeed in the UPSC civil services exam is to have strong basics and absolute conceptual clarity. Our faculty will 'EXPLAIN' the most complex concepts in a lucid way so that any fresher can understand and use these concepts while solving questions of Prelims and Mains.

### QUEST

Every class lecture is accompanied by a small test - which we call as QUEST- that seeks to test your knowledge and skills both. These tests will help bring discipline and seriousness in your exam preparation.

### UNDERSTAND

Post-Quest, discussions are conducted that further helps you to understand how the concepts that you have learned as part of the 'EXPLAIN' component needs to be applied and remembered from exam point of view. The faculty will extensively use previous year questions and their own set of questions to illustrate how you must align exam preparation to prepare smartly without stress. This is 'UNDERSTAND', the U-component of EQUIP.

### INTERACT

Lectures with interactive discussions enhances the quality of learning and also helps in inculcation of more ideas as every student could contribute. This 'INTERACTION' component will be facilitated at the end of each lecture where you can clear your doubts and contribute your own ideas too.

### PERFORM

Weekly Prelims tests, fortnightly Mains tests and comprehensive Prelims & Mains test upon completion of every subject are conducted for you to finally 'PERFORM', enabling you to be at your competitive best to ace the IAS examination. These tests will help you revise and test knowledge and skills that you have acquired through classes and self-study.

### EMOTIONAL QUOTIENT

Finally EQ (EQUIP) also matters. Without a strong Emotional Quotient, you cannot sustain the long audacious journey of Civil service preparation. Moreover you cannot perform well in Interview round of Civil service examination. Keeping this in mind, our mentorship program offers you the much needed emotional support in addition to academic support.

# SELECTIONS AT INSIGHTSIAS

InsightsIAS has earned the TRUST of innumerable students across India. We believe in our VALUES, APPROACHABILITY & QUALITY because of which InsightsIAS has become the ultimate platform for every student looking to succeed with the right DIRECTION, KNOWLEDGE & ATTITUDE towards UPSC Civil Services Examination.

Over the last 7 years our conversion rate from Mains to Interview has been more than 40% from our Offline batches and we have produced many toppers including an All India Rank-1 (CSE-2016), All India Rank - 5 (CSE - 2019) and All India Rank - 4 (CSE 2020). We at InsightsIAS have gained better understanding of what it takes to become a topper without wasting precious time of their youthful lives.

## COURSES

### OFFLINE GUIDANCE PROGRAM – OGP 2023

OGP 2023 – A full-fledged integrated classroom program for freshers for UPSC CSE 2023 in Mangalore

OGP – Offline Guidance Program was started in the year 2017 with an intention to provide the best guidance and most importantly, to provide what is actually required to crack the exam, especially for fresher's. We had only one goal as an institution – to ensure we guide students to achieve their aim along with producing the best officers to the nation. In order to realize our goal, we devised this initiative which entails everything – Classes, guidance (mentorship), MCQ Practice, Mains answer writing, test series and unparalleled guidance throughout. Every year has been a learning process for us to understand the students' mindset, to learn how to cater to varied needs of students, how to make them understand the examination demand and not go behind the conventional strategy of classes alone to clear the exam. In doing this, we have safely concluded that 'the Right Guidance' plays a major role in helping aspirants reach their goal in a shorter time. Hence the name Offline Guidance Program although it's a full-fledged course.

We shall explain you more about the OGP course through the below Questionnaire

## WHAT IS OGP?

OGP is Offline/Online Guidance Program which is a full-fledged integrated classroom program which includes classes for the entire syllabus (GS+ ESSAY + CSAT), practice tests, Mentorship program, weekly assessment sessions and special lecture series by eminent personalities, support in handling your stress through success and mindset coach and personality development sessions. It empowers serious aspirants to establish strong foundations of basics, build on it by inculcating analytical skills, interact with and be mentored by trusted and committed faculty at every step and adapt their preparation to the dynamic nature of this examination. Overall, this course makes the preparation process smooth and holistic.

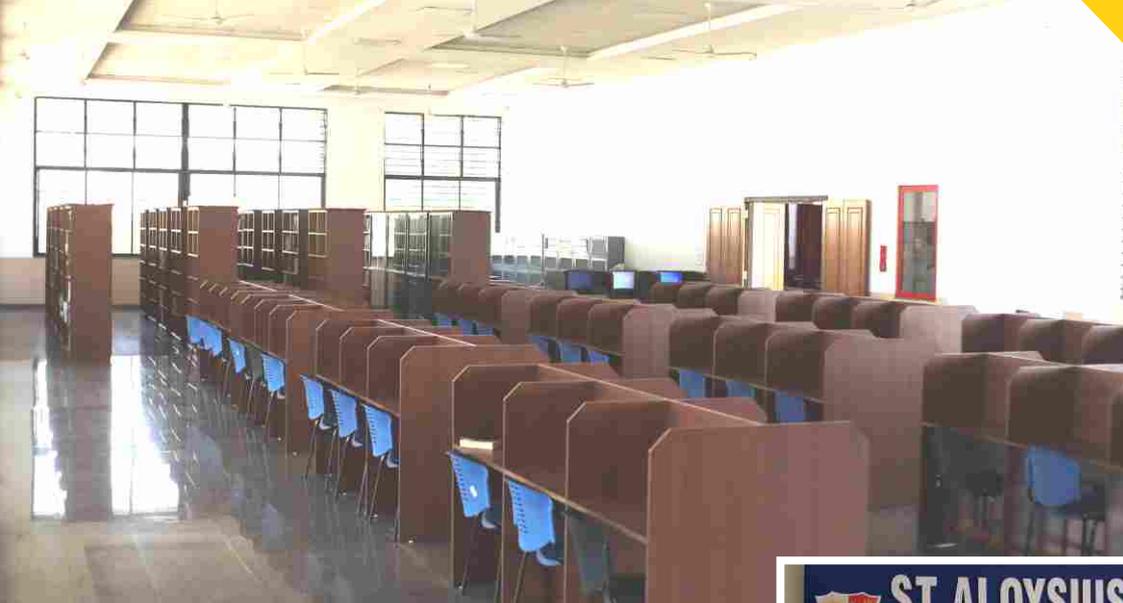

## HOW IS OGP DIFFERENT?

- OGP has a unique timetable which can set the routine of an aspirant right. We provide you a year long timetable which gives you the schedule for the classes and insists you practice MCQs and answer writing everyday.
- We believe practicing everyday should be ingrained in the preparation process. Hence, the course includes Daily class tests, weekly prelims revision tests, fortnightly mains revision tests and full length prelims test and mains tests
- Subject-wise Classes coupled with tests in regular intervals brings you a sense of completion for every subject.
- Essay, Ethics and CSAT classes are also included which make your preparation smooth.
- Highly result-oriented faculties will be available even after classes for clearing your doubts
- Dedicated one-to-one personal mentorship will be provided throughout your preparation.
- Best quality classes & test series at the most affordable price. Something that makes OGP reliable is the values with which it is designed and run – to keep it always students-centric.

We do not believe in conventional classes of completing the syllabus and providing material alone. We insist and push students to practice MCQs as well as write answers from DAY1 . We believe you improve over a period of time.
