## St Aloysius College Students Council 2022-23 Investiture Ceremony held

The Investiture Ceremony of the Students' Council 2022-23 of St Aloysius College (Autonomous), Mangaluru was held on 25 August 2022 in the L F Rasquinha Hall of LCRI Block. The chief guest for the occasion was Mr Jeevan Saldanha, Eminent Alumnus and Proprietor, Spectrum Industries, Mangaluru and Former President, KCCI. Rev. Fr Melwin Joseph Pinto SJ, Rector of St Aloysius Institutions presided over the programme. Rev Dr

Praveen Martis SJ, Principal; Dr Alwyn D'Sa, Registrar of the College; Anup Denzil Veiags, Director, Student Council; Ms Binni Chan, Assistant Director, Student Council and Student Council leaders were on the dais. Mr Jeevan Saldanha in his address stressed on the importance of Leadership. He said that, academics are important, but there are other facets of life too are important. He further said, "You have time on your hands, use it wisely. It is the best time of your life which you will always reminisce your college days and your friend-

ships. As a businessman, I am obliged to motivate you to be a Leader and an Entrepreneur or a Business Leader

in future". He also said that, "Technology has levelled the playing field in this fast changing world. We have Ola's, Zomato, Flipkart and many other high-profile ventures

started by young men and women, just in their twenties. India is the third-largest startup ecosystem in the world with an average of 3 to 4 businesses being launched every day. A startup entrepreneur needs to learn how to evaluate opportunities and influence emerging technology."

Addressing the students, Rev Dr Praveen Martis, SJ said, "You are all called to be the leaders of St Aloysius College, so celebrate your leadership. You are

representing the 6000-plus students of this institution, which should make you proud. Leadership is the special quality that you have in yourselves. A great leader should have the qualities like self-awareness, ingenuity, love and heroism. Develop these qualities to prove yourselves as good leaders."

Fr Melwin Pinto SJ in his Presidential remarks said, "Leadership is not a position, it is a passion.

## 76<sup>th</sup> Independence Day Celebration at St Aloysius College Mangalore

St Aloysius College, (Autonomous), Mangaluru, celebrated the 76<sup>th</sup> independence day in a solemn way. The programme was held near the entrance of the administrative block of the college.

Senior advocate and proud alumnus of the College P. Ranjan Rao was the chief guest. At 8.45 am grand march past of all 3 wings of NCC cadets to respect the tricolour

began. Flag hoisting was done by the chief guest sri P.Ranjan Rao at 9am. During the flag hoisting chief guest was accompanied by Principal of the college Rev.Dr Praveen Martis SJ, and Guest of honour Dr Richard Gonsalves, Associate professor from Dept. of chemistry.

Chief guest P.Ranjan Rao in his Independence day message conveyed his concern about extremities happening in society just for religious reasons. He strongly suggested to keep harmony in society by respecting each other. Opinions may differ but it has to be settled through dialogue and not through the path of himsa. Secondly he gave a strong message to love our mother India. We need to respect the sanatana culture and heritage of our soil, he added. He expressed his best wishes to all on the occasion of Azadi Ka Amrit Mahotsav.

Guest of honour Dr Richard Gonsalves through his remarks mentioned, India is progressing. But still long way to go. He narrated the tremendous growth of India in all sectors since 1947. He strongly gave his message explaining the need to work together to contribute more to the nation.

Registrar Dr Alwyn D'Sa through his speech beautiful-

ly narrated the true patriotic feeling behind signing and preserving a new 100ft cloth capsule which was

sponsored by Mr. Terrence D'souza, proprietor of A.R D'Souza group of cloth industry, Mangalore. He mentioned Indian independence was opened yesterday in a special programme organised to mark Azadi Ka Amrit Mahotsav celebration. To continue the tradition the new cloth capsule will be kept in college museum for next 25 years and will be opened during centenary celebration of India's independence during 2047.

Father Principal Rev. Dr Praveen Martis SJ through his message gave a call to respect our country, its culture, heritage, and the freedom fighters. We always need to follow the good tradition set up by our forefathers in all walks of our life and to contribute something to the nation for its growth.

Mr Vijoy Ashwin Cardoza, student council president welcomed the gathering. Ms. Mahima D'Souza and Mr. Shreyas compered the programme. Ms. Leona Alison D'Souza, cultural secretary of student council proposed the vote of thanks. At the end students sung patriotic songs. Finally sweets were distributed to all. Nodal officer of the college for Azadi ka Amrit Mahotsav programmes Dr Ishwara Bhat and convener of the programme Dr Anup Denzil Veigas were present.

similar cloth capsule signed by all members of the management, Fr Rector, Principal, teaching and nonteaching staff and students during golden jubilee celebration of Be proud of where you come from, and develop the power of empowerment. The characteristics of Jesuit education insist on pursuit of excellence; respect for the world; critical thinking and effective communication; special concern for the poor; and caring for hope. Bring out ideals in your own way. You should know about three things to be a successful leader i.e., logical thinking, critical thinking and lateral thinking." He wished best of luck for the students in their future endeavours.

Rev Fr. Praveen Martis SJ administered the oath to the President Letitia Nathalia DCosta, III B.A.; Vice President, Justin Mathias, III BCA; Secretary, Aden Nathaniel Vassou, II BCA; Joint Secretary, Blanche Rodrigues, II B.Com.; Cultural Secretary, Yashaswini Bhat, II BBA, Sports Secretary, Jenson DSouza, III BBA; Principal's Nominee, Viola Reshma Lewis, III B.Com. and Vineeth, II B.Sc. and all the Class Representatives and Association Secretaries.

On this occasion, the Students Council Directory was released by the Chief Guest.

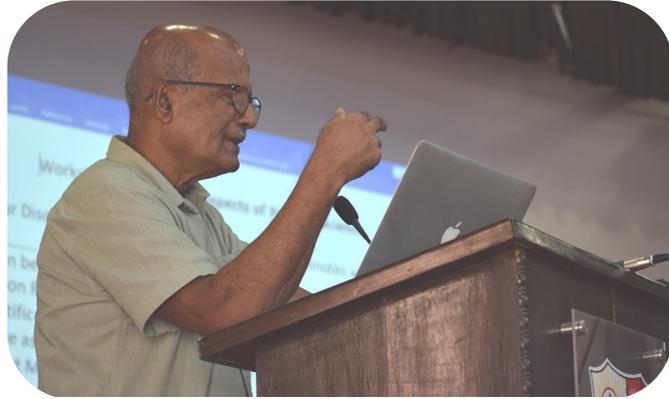

Binni Chan, assistant director of the Students' Council meticulously compered the programme. Anup Denzil Veigas welcomed the gathering. Letitia Nathalia DCosta, President of Student Council rendered the vote of thanks.

## Workshop on State and Prospects of Political Science

Venue: Robert Sequeira Hall, St. Aloysius College (Autonomous), Mangaluru  
September 06, 2022 (9.00 a.m. to 4.00 p.m)

The Department of Political Science at St. Aloysius College (Autonomous) Mangaluru organised one-day workshop titled, "State and Prospects of Political Science".

Renowned Political Scientist, Prof. Valerian Rodrigues was the resource person. About 130 B.A students from the Political Science major and students opted for open elective in Political Science attended.

The word 'politics' is the most contested and berated word in common conversations. And often the subject is miscalculated for future prospects. The workshop essentially engaged the students about the various research and employment possibilities given the vast opportunities it offers. Besides, the discipline has a greater outreach of helping an individual to learn life skills and improving one's own self.

Prof. Valerian Rodrigues asserted that the study of Political Science or its subject matter should revolve around the concept of 'public life' where the word public is recognised as a noun. He walked the students through the beginnings of the study right up to doing research and the kind of job prospects. One of the significant aspects that Prof Rodrigues pointed was that research in areas like Tulunadu as a political region, the Idea of Konkan, etc are severely lacking while works on Karnataka thinkers like Alur Venkat Rao, Hardekar Manjappa,

Kamaladevi Chattopadhyaya or Pandita Ramabai are sparse.

The workshop was segmented into sessions like Appreciating Our Discipline and Interdisciplinary Learning; Components of the Discipline-An Overview; Political Science and Practice; Political Science as a Discipline Today - In the World and India; Doing Research in Political

Science Today; and Political Science and Employment Prospects. At the end of each session, students summarised the content with their respective observations facilitating interaction.

A scholar of great repute, Prof Valerian Rodrigues was the first Ambedkar Chair at the Ambedkar University, Delhi. He has been one of the renowned faculties of Centre for Political Studies at JNU, New Delhi and Mangalore University. He was the Visiting Professor at the University of Erfurt and University of Wurzburg in Germany, Simon Fraser University in Canada, and Fellow at Max Weber Center for Advanced Studies, Germany. He was influential in securing land titles for the landless farmers and farm worker of Coastal Karnataka under the Karnataka Land Reforms.

Dr. Rose Veera D'Souza, HOD Dept. of Political Science and the co-convenor welcomed the gathering. Rev Dr Praveen Martis SJ., the Principal of St. Aloysius College (Autonomous), Mangaluru in his presidential message emphasised on the significance of the subject. The entire program was coordinated with the efforts of the students.

A talk on '**Recent Development in Consumer Movements**' held on 15-09-2022 at 3:00 pm by the Department of Commerce of St. Aloysius College Autonomous, Mangaluru in Association with Consumer Advocacy Group ( India) and Consumer Advocacy Group (Karnataka) through Hybrid Mode. Final year BCOM students participated in this talk. Dr Shrimant Tangade Associate Professor and HOD of Commerce and Management, Government First Grade College, Rajajinagar, Bengaluru the resource person. Ms Riya, student convener welcomed the resource person and the participants. Dr Abbobakar Sidque, Associate Professor, Coordinator of Consumer Advocacy Group (Karnataka) introduced the resource person. Dr Shrimant Tangade highlighted about how he filed a case in the consumer court and won the same. He stressed on the changes in the consumer commission, State commission and National commission. During interaction at the end of the session Dr Shrimant Tangade responded to the queries raised by the respondents. Dr Caroleena Janefer, Assistant Professor was the convener of the program.

*Reported by Dr Caroleena Janefer*

St Aloysius Prakashana, the publication unit of St Aloysius College (Autonomous), Mangalore organized Book release programme on the 30th of September 2022 at 3pm in Eric Mathias Hall, Maffei Block. Dr K Ullas Karanth, Emeritus Director, Centre for Wildlife Studies, Bengaluru was the Chief Guest for the programme. Rev Dr Praveen Martis SJ, Principal of St Aloysius College (Autonomous), Mangalore presided over the programme. Four books of social, cultural, academic, and environ-

mental relevance were released by the dignitaries. Sri J R Lobo, Ex-MLA, Mangalore South Constituency, Mr N G Mohan, Dr V. Basil Hans, Dr Jyothi Miranda and Mrs Molly Miranda, the authors of the released books and Dr Vidya Vinutha DSouza, Director of Aloysius Prakashana were present on the dais.

The book, 'PILIKULA' written by Mr N G Mohan, is a coffee table book that speaks extensively about Pilikula Nisargadhama the pride of our district. Mr N G Mohan in this book has attempted to narrate the genesis and the growth of Pilikula Nisargadhama a natural habitat spread across 370 acres that is today protecting the environment, and heritage and improving tourism.

The book, 'Flora of St Aloysius College Campus - Herbs & Shrubs' is written by Dr Jyothi Miranda, Associate Professor, Dept of Botany. She is currently serving as the Head of the same department. It's not just a coffee table book with colorful images but also a study material for the students who are interested to know about plants and also is useful for the general public who love plants. This book is written to promote awareness about these plants, which may help in the conservation of species in

the days to come.

The book Public Finance is authored by Dr V. Basil Hans, Former Associate Professor of Economics.

The book Public Finance is mainly written for Undergraduate students to study fiscal economics in simple

language. This book is the result of his research on questions on social choice and public policy. Concepts and theories have been explained in simple language. It contains model questions and question papers also.

The Konkani book 'Kontrelantlem' written by Mrs Molly Miranda is a translation of a Kannada autobiography "Nagandigeyolaginda" published in the year 2019 by Mrs B M Rohini a well-known literary figure, who has authored more than 10 classic books in Kannada.

Dr Vidya Vinutha welcomed the gathering. Dr Mona Mendonca, Assistant Professor, Department of History briefed about the books. Ms Jyothi Simav Vaz, Department of Postgraduate Studies and Research in Chemistry compered the programme and proposed the vote of thanks.

Minutes of the previous meeting held on 10 December 2021 was read by the IQAC Coordinator Mr Sonal Steeven Lobo. He also read the Action Taken Report. The minutes and Action taken report were approved.

Principal Rev Dr Praveen Martis SJ presented the College updates since the previous meeting.

He spoke on the rankings – outlook Icare rankings and India today ranking and awards received by the College - AMAR KONKANI the Biennial Research Journal in Konkani published by our Konkani Institute bagged the prestigious SANDESHA LITERATURE AWARD (KONKANI) – 2021 and congratulated Rev Fr Melwyn Pinto SJ for the same.

Principal also mentioned about the 4<sup>th</sup> cycle of NAAC Assessment and preparation going on in the college, submissions of IQA and AQAR for the same. He specially thanked Dr Jayaprakash Gowda, NAAC co-ordinator, Dr Richard Gonsalves, Mr Naveen Mascarenhas and Mr Sonal Lobo for their hardwork and commitment.

Speaking on new initiatives he mentioned about the inauguration of the creche at St Aloysius college institution, establishment of Advanced instrumentation centre sponsored by 1971 golden batch of St Aloysius college, launching of new career oriented UG/PG courses with four different shifts- regular, morning, noon and evening shifts to cater to the needs of students. Special mention was made regarding the new course offered by kannada dept -BA Kannada major with creative communication and BSc Visual Communication to be introduced from 2022-23 and use of electric buggy in the campus. Speaking further he mentioned about the inauguration of Philatelic gallery at SAC museum where we have collection of around 60,000 stamps, development of blood donation portal by the students as an initiative to help people in the city. He also mentioned about creation of MV Nair and Venkat endowment fund of Rs 1 crore to cater to the educational needs of police personnel.

Speaking on activities related to environmental concern, Fr Principal mentioned about Indian green building council - student chapter inaugurated by **B V Mehta**, groundwater recharging, Miyawaki project, clean drives, plantation etc. Around 800 plus students of St Aloysius college took part in cyclo-walkathon to spread awareness on mental health, physical fitness and well-being, campus bird count in the main campus and AIMIT centre.

He also mentioned about service-oriented activities taken up by centre for social concern namely blood donation, hair donation for cancer patients, NSS camps, street plays, anti-ragging awareness, vaccination drive etc.

Speaking about progress in research he mentioned about guideship being awarded to 7 more staff members making a total count of 30. Around 102 staff members have completed their PhD. Staff members have also received projects from Karnataka science and technology academy which has also

funded certain workshops, seed money funded by MJES for student research to help them in projects and encourage them to write articles.

Speaking on National and International collaboration, there are 09 new MoU's signed, 3 faculty members were sent to catholic university of Valencia (spain), one student also spent 6 months there and received 12 credits in psychology, Fulbright scholarship where a student from SUNY Cortland will be doing her project for 6 months at St Aloysius college, RISHI a project on resources for internationalisation of higher education institutes in India, week long research oriented training programmes for students at Poorna Prajna research institute, Bangalore.

Regarding Entrepreneurship, IMPETUS programme was organised where five student projects have been selected to be funded with seed money by the college. Principal also mentioned that college is working on start-ups and placements, many companies have visited and good numbers of students are placed, training programmes are organised for final year students which include aptitude, communication and job preparation, important activities were held which included career talk, knowledge factory and TEDxSAC.

Speaking on the infrastructure Fr principal mentioned about renovation of the music room and the new fisheries and hydrobiology unit inaugurated in the department of Zoology. Highlighting on staff and student excellence, Dr Richard Gonsalves received the best innovative faculty award, many faculty members have authored books. Kendonians a drama produced by Mr Christopher Neenasam, Department of Kannada, is selected for two prestigious national drama festivals: CGK memorial national drama festival at Bangalore . And International theatre festival at Hyderabad , Awagath award received by Ms Sandhya Sirsikar from the dept of Hindi. Speaking on student excellence, Deepthika J Puthran (II Bcom E - 203502) has won the following medals in the '2021—Junior Equipped Powerlifting & Benchpress Championship' held in Istanbul, Turkey. SAHL ABDUL RAFEEQUE is the first student of St Aloysius College (Autonomous) to become ACCA Affiliate, passing all ACCA subjects while he is still pursuing his B.Com degree, many students have cleared F / P Level ACCA Examinations which was conducted from 6 December to 10 December 2021, students have secured good ranking in IIT Jam exams, participation in summer school and received fellowship. 5 NCC students represented the country for the army parade and won the NCC best institution award. Speaking on extracurricular activities, Fr Principal mentioned about the different leagues -music, art, dance, throwball and theatre at St Aloysius campus which has helped students exhibit their talents. Reimagining Internationalisation, a workshop was conducted for all principals of Mangalore region to discuss better ways of collaboration with each other, IQAC in collaboration with IPSR organised one day workshop on Underlying threads in Outcome Based Education.

Highlighting on future plans, regarding the deemed to be university status Fr Principal mentioned that the work is in progress and there is hope that it will soon be granted, introduction of new courses like BSc in psychology, food science and forensic science, MSc in clinical psychology and organic chemistry and working on Zero waste campus.

After the presentation principal invited observations and suggestions from the members on the various initiatives taken by the management.

Fr Melwyn Pinto, director of AIMIT observed that data regarding book published by faculty and student placements from AIMIT was not included in the presentation.

## Minutes of 24<sup>th</sup> IQAC meeting held on 15<sup>th</sup> July 2022

Mr Allen suggested to have a display of college publications and books on regular occasions in the campus which would attract many visitors around.

Mr Gerard Colaco emphasised on importance of having knowledge in areas like geriatric care, drug addiction, alcohol deaddiction, Alzheimer's and dementia. As no much focus and awareness is given to these issues in Mangalore, hence BSc and MSc psychology departments can offer internship programmes in these related issues and help to educate people.

In reply Fr Principal said that some topics like drug addiction and alcohol deaddiction are included in their syllabus, Dr Loveena Lobo also mentioned about the collaboration with hospitals and internship programme which students attend.

Mr Gerard congratulated and appreciated the college for its progress in relevant areas in the last two years amidst the challenging situation. He spoke about the agricultural activities taking place around Mangalore and the harmful effects people face due to climate change which in turn affects the livelihood of people who are into it. Appreciating the strong science academia at St Aloysius College, he suggested if some science departments could identify the threats due to climate change which are affecting agricultural activities and help in providing awareness on better and effective methods of cultivation and thus make a meaningful contribution to society.

Mr Gerard appreciated the efforts by the psychology department of the college with respect to counselling and helping students from outside the campus too and suggested that the department can guide students to become professional career counsellors being the need of the hour due to prevailing psychological and stress related problems faced by students in society and in future there may be a need for career therapist. He also mentioned about the importance of reading and suggested to initiate certain steps to inculcate the love for reading in students, and also training students on Carnatic and western classical music.

Replying to above suggestions, Principal mentioned about the kind of research taking place in Fr Leo lab which has reached people, and regular meetings of students with psychology department, more than 30 plays have been performed, a science play QED on how a scientist thinks, he also appreciated the neenasam trainers and students and thanked them for their encouragement and support.

Mr Allen also gave the idea of renaming the term counselling and make it sound better as more students can seek help. In reply Fr Principal replied that we have named it as 'listening and learning centre'.

Having the establishment of advanced instrumentation centre in the college, Dr Rio D'Souza gave suggestions to have consultancy services as there is shortage of instruments across and this research facility will help students from other institutions as well, he also suggested to prepare a brochure and send it across other colleges. Dr Mamatha replied that brochures of biochemistry and food science departments are ready which will be sent across.

He mentioned about BSc in visual communication being the need of the hour it can be incorporated as a BVoc course.

He also sought clarification on the percentage of faculty having PhD and enquired if it is mandatory for the Assistant professor post. Dr Rio also added to have vocational courses in aquaculture, gardening and nursery as these areas are gaining importance post pandemic. Speaking on counselling he discussed about the method followed at St Joseph's college, Fr principal replied that at SAC

we have the mentoring system where every staff is assigned few students so they meet and get to know students personally. Dr Rio also appreciated the progress done by the college and wished it will soon become a university. Fr Principal thanked Dr Rio and said that the suggestions will be taken forward.

Principal also invited suggestions from internal faculty. He said students are allowed to work in the incubation centre and some have come up with their start up ideas, Students president Vijoy presented his plan on start-up regarding electric vehicles before the members, Dr Mamatha also appreciated the efforts put in by students where many students approach staff members and seek guidance in building their project.

Mr Allen mentioned about the institute of finance and banking at Bombay which offers diploma course and students can avail the same which gives better employability in banking sector.

Dr Denis replied about the course suggested by UGC to BCom students on banking sector and 6 months student internship programme.

Speaking on certificate courses principal mentioned that from the next academic year students will have to compulsorily choose two certificate courses before they reach the final year.

Dr Narayan Bhat appreciated the valuable suggestions given by external members. He mentioned about Jalasanthe initiative by creating WhatsApp group of ex-alloysian CEO's, ex-alloysian doctors and also planning to have ex-alloysian lawyers and CA's where students can join the group occasionally and seek consultancy if required. Speaking on NEP, he mentioned about him being selected as an expert committee member by the Karnataka state government representing the only aided under graduate college in Karnataka and this a proud moment for the college.

Dr Ronald Nazareth, dean of collaboration mentioned about the team from Catholic university of Valencia visiting our college for further collaboration.

Fr Melwyn Pinto mentioned about the MOU signed with TCS for the big data analytics course and ....for data analytics and the department of software technology is in the process of signing MOU with Niveus company.

Dr Suresh Poojary, director of research cell spoke about the research cell in the college and its activities like workshops, applying for research grants, the main objective is to increase productivity of research. Having established the incubation centre in the college, he said that commerce, BCA departments can work on idea generation and start-ups, whereas science departments must concentrate on innovations and patents. Dr Alwyn D'Sa registrar and controller of examinations proposed the vote of thanks.

## Counseling Skills Workshop

The Human Wellness Forum, Department of PG in Studies and Research in Social Work, St. Aloysius College (Autonomous), Mangalore, organised a two days workshop on Counseling Skills on August 18 & 19, 2022. The resource person for the workshop was Dr. Lavina Noronha, Director of Ave Maria Palliative care, Vamanjoor. The workshop was organized with intent to enhance the Counseling knowledge and skills of students who are aspiring to become professional counselors.

Ms. Noronha created an atmosphere of active listening and engaging students in various activities like, individual assessment, case studies and Mock sessions etc to learn and to have better understanding on the concepts. She also inspired the students through her real life experiences in Counseling and other aspects of Social Work practice. The topics covered during the workshop were as follows.

Day 1- 1. Concept of counseling. 2. Core conditions of counseling. 3. Principles of counseling. 4. Counseling ethics. 5. Non-verbal cues in counseling.

Day 2- 1. Verbal cues in counseling. 2. Advanced counseling skills. 3. Qualities of an effective counselor. 4. Benefits of Counseling. 5. Egan's three stage model of Counseling.

The workshop provided the students, a deep insight into counseling and their role in helping clients in need of counseling. It also helped student participants to understand and to enhance their qualities and skills. It was also a theoretical orientation to students to apply coun-

seling skills during their field work practice.

The workshop was organized by Dr Roshan Monteiro, The forum coordinator, there were 24 participants attended workshop. Dr Loveena Lobo, The Director, PG Social Sciences, Maffei Block welcomed and introduced the resource person and Ms Sangeetha Udaykumar, Assistant student coordinator of the forum proposed the vote of thanks

## Bioinformatics session at Carstreet College

A session on 'Demand for Bioinformatics' was delivered by Anushree Raj from the department of Bioinformatics & IT, at Dr P. Dayananda Pai – P. Satisha Pai Government First Grade College, Carstreet, Mangalore on August 26 for BSc students of different branches like chemistry, biology, microbiology and zoology.

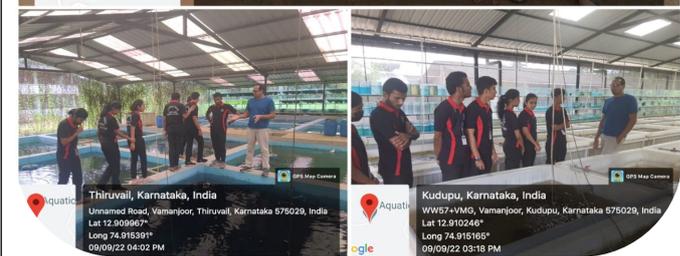

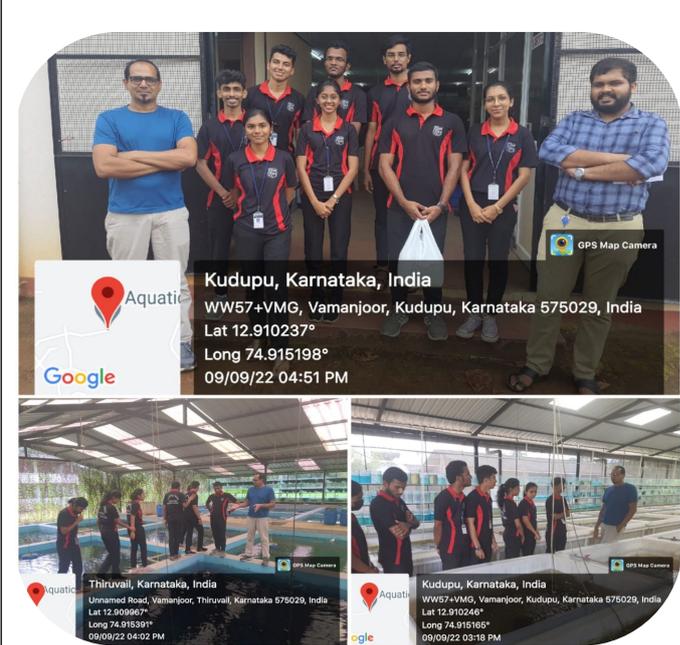

Dr Sudhakaran T, associate professor, department of Chemistry welcomed and introduced the resource person. Altogether 61 students attended the session. The session focused on giving a short introduction to bioinformatics,

with an extension to its applications and scope. Students were also given knowledge on demand for Bioinformatics in and outside India. Ms Raj threw some light on the latest research contributions in bioinformatics. She also gave an overview on career opportunities in the field of Bioinformatics.

Students were interested to know more about bioinformatics and expressed a deep sense of enthusiasm.

Students from Hydrobiology and Fisheries Unit, Department of Zoology visited Aquatic Biosystems (Ornamental Fish Farm) on 9th Sept 2022 as a part of industrial visit.

## Amartha Association Inauguration & Freshers Day

Amartha association of Department of PG Studies and Research in Economics organised *Freshers Day* and *Association Inauguration* on 06 September 2022. The pro-

gramme started with a warm welcome by the department teachers and distributing name tags to the 1st years. The association secretary welcomed the 1st years officially to Amарtha association, the MC Mr. Mahendra R Menon hosted the full show guiding and showing the rules and regulations of association. The association activities for the year was inaugurated by lighting the lamp by faculty members and secretary, assistant secre-

tary and treasurer of the association. Second year students organised fun games and interesting and playful introduction to the freshers.

*Reported by Dr Priya Shetty*

Department of Biochemistry (UG) of St Aloysius College (Autonomous), Mangalore organised "Students interactive Session" - An academic oriented interactive session for Biochemists on 10/9/22 at Eric Mathias hall.

## World Heart Day Physical Exercise Session

The Amарtha association of the Department of PG Studies and Research in Economics organised a physical exercise session on 29 September 2022 on account of world heart day, all the 2<sup>nd</sup> years and 1<sup>st</sup> years were advised to look after their healthy lifestyle and way of living with the theoretical knowledge all were made to do Zumba, exercises and laughing exercise for better functioning of heart and a healthy lifestyle, all enjoyed and had a good time in the association hour.

Then we had a discussion on how to plan trip for industrial visit to the planned destination. Heart is a one of the most functioning organs in a human body and all the

members of association were enlightened by how good should the person look after themselves even in the toughest situation for not losing hope and a long healthy life ahead.

An international workshop to celebrate 150 years of the famous playwright Henrik Ibsen is being organized in collaboration with Astitva® Mangaluru, Sandesha Foundation for Culture and Education, St Aloysius Ranga Adhyayana Kendra, Kannada Department, St Aloysius College for 15 days from 13 September 2022. The guests and resource persons from Norway who are a part of Ibsen's theatre were welcomed to Mangalore on

To create awareness on garbage-free city for Seva Diwas under Swachh Amrit Mahotsav, Sea shore clean drive was organised by Dakshina Kannada district Administration on 17<sup>th</sup> September, 2022 at Panambur. On this occasion 137 students of various association under CCC2, St Aloysius College (Autonomous) Mangaluru participated in this Campaign

The official inauguration of BSc in Visual Communication was held today, 15th September 2022. Thus we pioneered in the area of Visual Communication studies in South Karnataka.

## CHEMERGENCE - a Chemistry Fest at St Aloysius College

The UG & PG Departments of Chemistry, St Aloysius College (Autonomous) in association with Dakshina Kananda District PU College Chemistry Lecturers' Forum organized a one-day Chemistry Programme "CHEMERGENCE – Uniting Young Chemists" for the

Pre-University Students on 13 September 2022 in the LF Rasquinha Hall, LCRI Block of the College. The aim of the programme is to create interest in Chemistry among young minds and hence to generate enthusiasm for the creative future of Chemistry.

Dr Indani Karunasagar, Eminent Researcher and Director for Research and Development, Nitte Deemed-to-be University was the Chief Guest. Rev. Fr Melwin Pinto, SJ, Rector of St Aloysius Institutions; Rev. Dr Praveen Martis, SJ, Principal, Dr Alwyn D'Sa, Registrar & Controller of Examinations, Dr Ronald Nazareth, HoD of Chemistry & Coordinator for STAR College Scheme, Dr Richard Gonsalves, Director, LCRI Block, Dr Narayana Bhat, Director, Xavier Block and Ms Crystal Vivita Menezes, Convenor were present on the dais.

Chief Guest Dr Indrani Karunasagar in her inaugural address said, "St Aloysius College has produced BIG stalwarts who have attained big posts in various capacities around the globe. It should be noted that chemistry plays an important role in the present world. From toothpaste to household articles, they all have chemical additives. Chemistry is an incredibly fascinating field of study. Because it is so fundamental to our world, chemistry plays a role in everyone's lives and touches almost every aspect of our existence in some way". She further

said, "Chemistry is essential for meeting our basic needs of food, clothing, shelter, health, energy, and clean air,

water, and soil. Chemical technologies enrich our quality of life in numerous ways by providing new solutions to problems in health, materials, and energy usage. Thus, studying chemistry is useful in preparing us for the real world. Chemistry is often referred to as the central science because it joins together physics and mathematics, biology and medicine, and the earth and environmental sciences. Knowing something about chemistry is worthwhile because it provides an excellent basis for understanding the physical universe we live in. For better or for worse, everything is chemical."

Rev Dr Praveen Martis SJ in his presidential remarks said, "Chemistry is important because everything is made from chemicals but there are a lot of other reasons why chemistry is a big part of daily life and why everyone should understand basic chemistry. Many things that are in our environment are made of chemicals, and many things that we observe in the world are made of chemical effects". He further said, "With the help of chemistry, we are able to cure most deadly or dangerous diseases. Chemistry is a path of creativity and is a subject of logic and it creates a new way of thinking.

Chemistry is important because everything around us is made of chemicals."

The programme included interactive session followed by various competitions related to Chemistry such as: Ice-breaker – "Molecular Kick Start"; Quiz – "The Panel Game"; Seminar – "Chem Forum"; Photograph – "Chemistry Around Me"; Turncoat – "Spin Change"; Interactive Chemistry – "Frolic in the War of Reactions"; Chem Rangoli – "Chromo Chemistry"; Mock Press – "Celebrity Scientist"; Video Juggling – "Chem Play"; Creative Writing – "Chemigraphy"; Documentary – "Capture the Colour"; Mad Ad – "Chem Masti"; Treasure Hunt – "Star of Chemergence" and Singing – "Chem Music".

Dr Ronald Nazareth welcomed the gathering and briefed about the programme. Ms Crystal Menezes proposed the vote of thanks. The programme was meticulously compered by Yuktha, II M.Sc. Chemistry.

The valedictory programme held in the evening. Mr Jayananda Suvarna- President, DK Chemistry Lecturers Association was the chief guest. Rev. Fr Vincent Pinto, Sj, Finance Officer, St Aloysius College presided over the programme.

### St Aloysius organized Math 'Fiesta 2022'

The Department of Mathematics, St Aloysius College (Autonomous), Mangalore, organized a two-day programme "Math Fiesta 2k22" as part of the 109<sup>th</sup> Birth Memorial Celebrations of Prof. K.A. Krishnamurthy on 5<sup>th</sup> & 6<sup>th</sup> of September 2022 in the College.

Dr Raghavendra A., Associate Professor and Principal of

Poornaprajna College, Udupi, and a proud alumnus was the Chief Guest and inaugurated the programme. Rev. Dr Praveen Martis, SJ, Principal of the College, presided over the programme. Dr Alwyn D'Sa, Registrar & Controller of Examination, Rev. Fr Vincent Pinto, Finance Officer, Ms Priya Monteiro, HoD of Mathematics and Staff Coordinator for the programme, Rollin Preetha Vaz, Assistant Staff Coordinator, Raoul Noronha, Student Coordinator were present on the dais.

Dr Raghavendra in his speech reminisced his college days and the professors who taught him at St Aloysius College. While speaking about Dr Krishnamurthy and said that his books are even now referred throughout Karnataka. He also spoke about the importance and need of the New Education Policy. He briefed about the opportunities in Mathematics and suggested the students that they can choose Mathematics as their passion.

Rev. Dr Praveen Martis, SJ, in his presidential remarks,

reminisced his college days at Poornaprajna College, Udupi and St Aloysius College, Mangalore. He said that Mathematics is the foundation for all sciences. He wished the participants best of luck and told to take part in the competitions sportively.

During the programme, Dr Raghavendra A delivered a lecture on the topic "Importance of Ramanujan's Contribution in Modern Science".

Priya Monteiro welcomed the gathering. Anisha Mathias introduced the guests. Larren Serrao Compered the programme. Raoul Noronha proposed the vote of thanks.

### An Orientation on Student Research - The Road from Research to Publication

The Department of Biotechnology (UG) conducted an orientation for the UG final years (BtC/Z/B) on student research (The road from research to publication). The orientation was held at the Joseph Willy hall of the Maffei block (IT block) from 3:00 pm to 4:30 pm on 12<sup>th</sup> September, 2022. The speaker for the orientation was Professor Cletus D'Souza, an acclaimed educator throughout Karnataka, who is currently the adjunct professor in the Department of Biochemistry, St Aloysius College.

The speaker, Professor Cletus, engaged the audience by asking them what research truly was. He recounted to the students, a question that a young boy had asked him, which made him think about the solution. He further told the students of how they tend to lose their creativity as they grow older, and presented a few puzzles and stories to get the audience thinking. Professor Cletus also stressed on how important it is to advance in one's field, rather than just stagnant expansion.

The orientation concluded with a question-answer session where the speaker briefly clarified the doubts. The session left the students motivated and inspired to bring forth more creative and research-oriented thoughts that could solve various problems.

On 17<sup>th</sup> September, 2022 as a part of observation of International Coastal Clean-up Day National Service Scheme (NSS), Youth Red Cross (YRC), St Aloysius College (Autonomous), Managloru in Collaboration with

Regional Directorate of NSS, Bangaluru and NSS, Mangalore University organised Swatch Sagar Abhiyan - 2022, A Sea Shore Clean Drive at Someshwara Ullal Beach. 113 NSS and YRC Volunteers Took part in this Campaign.

## Investors Awareness Programme

Department of Post Graduate Studies and Research in Commerce, Department of Post Graduate Studies and Research in Economics in association with Mangalore University Commerce Teachers Association (MUCTA) organized Investor Awareness Programme on 7th September 2022 in Robert Sequeira Hall, LCRI Block. The inaugural programme began at 9.30 AM with the arrival

of the honorable guest of honour Mr Leo Amal A, the chief guest Dr. Richard Gonsalves and the other dignitaries to the venue. Ms Jennifer Maria Quadras, HOD M.Com. (General) welcomed the gathering and the programme was formally inaugurated by the Chief Guest and other dignitaries by lighting the lamp.

The first session was delivered by Mr. Naveen Rego, SEBI Regd CFP. He enlightened the students on the topic Financial Literacy. He said celebrities are their own brand-they invest on themselves. Therefore, the students must also invest in themselves by acquiring as much as knowledge as possible. He concluded by reiterating to the students to work on themselves and if they don't know how, then to ask someone who does.

The 2nd session was taken by Leo Amal A, Senior branch manager, Franklin Templeton India Pvt Ltd. The resource person began by explaining the students about simple interest, compound interest, present value and

inflation. He urged the students to start investing as early as possible.

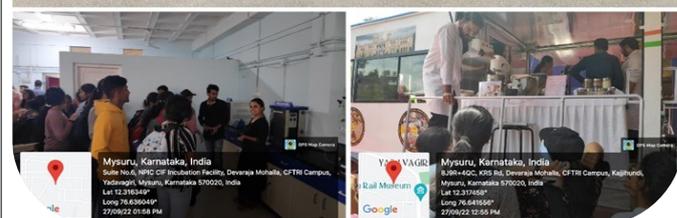

The resource person for 3rd session was Mr. Elston Menezes. It was the most important session for the day. He started asking the meaning of money and its importance in everybody's life, thereby highlighting the importance of money management and investment. He

concluded the session by answering queries by some participants. The Investors Awareness Programme helped all the participants to get insights on various aspects of investment and money management. It enlightened them on the practical aspects of different investment avenues and made them aware of various opportunities in the field of investing. It motivated the students to start investing in future.

In an initiative to bridge the information gap for students of Dakshina Kannada and boost career opportunities, a District Career Conclave was organised by SAP, KSDC, Government of Karnataka and UNDP India between 9:30 AM and 3:00 PM at St Aloysius College (Autonomous), Mangalore on the 24<sup>th</sup> of August, 2022. The purpose was for students to interact with recruiters, industry domain experts, career counsellors, explore

higher education opportunities and make informed career choices.

The district career conclave was inaugurated by Mr Akshy Shridhar (IAS, Commissioner, City Corporation, Mangalore), with the presence of Mr SJ Hemachandra (KES, District Skill Development Officer, KSDC), Sri Devaraju K (IEDS, Joint Director, MSME, Mangalore), Dr Jennifer Lolita (Joint Director, Collegiate of Education, Mangalore), Sri Ajith Kamath (Ex-president of KIA and secretary of STRIVE, Mangalore), Rev. Dr Praveen Martis SJ (Principal, St Aloysius College), Mr Jeyachandran, State Head, UNDP Karnataka, Ms Flona Shawn Soans (Dean – Placements, St Aloysius College) and Ms Kavitha VV (Placement Incharge – St Aloysius College). Speaking to the students, Mr Akshy Shridhar spoke about how important focus and passion is one's career. He provided instances from his life and motivated the students to challenge themselves to achieve greater things. Mr SJ Hemachandra provided information about various careers available in the Government sector. Mr Devaraju gave information on multiple support and assistance the Government provides to budding entrepreneurs and start-ups. Dr Jennifer Lolita urged the students to make the best of the opportunity. Mr Ajit Kamath informed the students of the various offerings STRIVE provides. The Principal of the College, Rev Dr Praveen Martis SJ motivated the younger generation of today to have a strong vision to help achieve their goals. He also mentioned that there is an ocean of opportunity given to the students at St Aloysius College and urged the students to make best use of it.

The District Career Conclave was a day-long mega event. Below were some highlights:

- 20+ career stalls to share the future career opportunities with the students including higher and vocational education options, skill development and apprenticeship opportunities.

- 500+ students from various educational and vocation institutions including PU colleges, ITI, Polytechnics, and Arts & Science colleges visit the campus of St Aloysius for the event.
- 30+ experts including career counsellors, facilitators, trainers, and representatives from industry associations, government, and career platforms.
- Career guidance sessions moderated by industry and career experts.
- Career exhibitions that showcased career journeys through interactive sessions with relevant experts.
- Career stalls to encouraging interaction with prospective employers, trainers, and experts.

## Radio Sarang report for July and August 2022

As part of 75<sup>th</sup> Independence Day celebration, we broadcast 16 hours unique programmes. There was also a live broadcast from Neharu Maidan. We also broadcast a yakshaganas called *Kranthi Kahale*. The theme for the entire day was 75ರ ಭಾರತ, 75 ಆಲೋಚನೆಗಳು 75 ಚಿಂತಕರಿಂದ.

In the month of July and August the station broadcast yakshaganas such as *Birdhda Birer*, *Palandu Charithre*,

*Seethena Madime*, *Maalavika Parinaya*, *Vijaya Vahini*, *Daiva Sankalpa*, *Samara Sougandhika*, *Shree Krishna Leelamrutha*, *Shanmukha Sandana*, *Kaala Dharma Yaksha Samvada* and *Bamulla Baamakumare*.

In the month of July and August our station broadcast a special programme called 'Suttha Muttha'. Some of the features included: ಬದುಕು ಕಟ್ಟುವ ಹಾಳೆ, ಕೊಗ್ಗಣ್ಣಿನ ಗೋಲಿಸೋಡೆ, ರಾಜ್ಯದ ಪ್ರಪ್ರಥಮ ಕತ್ತೆ ನಾಕಾಣಿಕಾ ಘಟಕ, ಶಂಕರಪುರ ಮಲ್ಲಿಗೆ ಕೊನೆಗಾಣದ ಕಡಲೊರೆತ, ಕುಲುಮೆಯ ಬದುಕು, ಕುಂಬಾರಿಕೆಗೆ ಹೊಸ ಸ್ಪರ್ಶ ಕುಂಬಾರಿಕೆಗೆ ಹೊಸ ಸ್ಪರ್ಶ, ಯಕ್ಷಭೂಷಣ ಶ್ರೀರಾಘವದಾಸ್.

Collaborating with the Wenlock district hospital, Radio Sarang has begun a programme called **Hello Wenlock**, a live phone in programme, which is broadcast once a week every Friday from 10 a.m. to 11 a.m. For this pro-

gramme the guests were: Dr Naveen, dermatologist; Dr Sadananda Pooraji, urologist; Dr Anitha Kiran, ophthalmologist; Dr Vijay Kumar, general physician; Dr Shilpa Hegde, paediatrician; Dr Sharath Babu, pulmonologist; Dr Sunil Kumar, psychiatrist, Dr Dinesh Kamath, dermatologist, Dr Julian Saldanha, senior physician, Dr

NCD Clinic. Many listeners interacted with the artists by phone.

For Binnere Pathergathe Tulu programm the guests were: Nithyananda Pujari Babugudde, national kabaddi player; and Sundara Bangadi, famous yakshagana comedian.

For Radio Sanje, the guests were: Kiran Budlegutthu, president, Freedom Fighter Kedambadi Ramayya Gawda Memorial Trust, Mangalore; Ravindra Nayak Sannakibettu, poet; Shrinivas Gawda, founder chairman and MD of Isiri Farm; Jayashri Karkera, co-founder and director of Isiri Farm.

For *Thaallo Umaallo* Konkani live the guests were: Benadict Martis, Pangla and *Raviraj D'Souza*, young artist; *Godwin Sparkle*, director of Allshi Redde film and *Hera Pinto*, actor; Tara Laveena Fernandes, teacher; Ullas Rasquinha, Jerosa Company owner.

For Hrudaya Raga, the guests were: Dheeraj Rai Sampaje, Yakshayana Bhagavatha; Babitha J Shetty, national level athlete.

For Thulu Chavadi, the guests were: Dr Ganesh Amin Sankamar, folk artist; and Bhaskar Rai Kukkuvalli, yakshagana artist.

For Maikaltho Palak Beary live phone in, the guests

were: Sharif Katipalla, a multilingual actor and singer and Ismail Moodshedde, journalist and cinema director. Shubha Mangala programme featuring transgender RJ Kajal, had B.K Shantharaj, ASI Bhrammavara police station; Abigail Sheldon Anchan, managing trustee, Chosen Generation Charitable Trust (R.), Udupi; Raviraj H P, theater director as guests who came to the studio for recorded programmes.

In association with CEMCA and Ministry of Ayush, Government of India, on account of International Yoga Day of 2022, Yoga for Humanity, our radio broadcast live phone in programme with Yoga Rathna Gopalakrishna Deelampadi. Also, eight 8 recorded programmes were aired.

A special project from Community Radio Association, 'Pledge for Good Health' has been given to our station. For this programme we broadcast four recorded programmes and 20 narrowcast programmes in various places in Mangalore city.

There is a special programme called 'Kaanonu Kacheri' which is broadcast every Saturday at 8.15 a.m. Advocate Akshatha Adarsh gives information on legal issues on this programme.

**A** One-day national level research capacity building faculty development programme (FDP) under the UGC STRIDE scheme titled 'Handshake with Data Analytics

using Jamovi' was held on August 16 at the AIMIT campus of St Aloysius College (Autonomous), Mangalore. The FDP was inaugurated, by Dr (Fr) Praveen Martis SJ, Principal (St Aloysius College). Speaking on the occasion, FrMartis stressed the need for cultivating research culture among the teaching community and he wished that this FDP would stimulate the researching community to do better.

The Resource person Prof. Balwinder Singh, Dean, Guru Nanak Dev university, Amritsar, Punjab, deliberated the uprise of various open source softwares, that can help a researching community at large.

There were two forenoon sessions and two afternoon sessions. All the sessions were hands-on sessions. The sessions were a great time of learning with every partici-

pant executing the programmes in the lab.

At the valedictory, some participants gave their feedback. All were very positive about the sessions.

Earlier, Prof. Singh was felicitated by the management and was presented with a unique memento. Dr Alwyn D'Sa, Registrar of St Aloysius College (Autonomous), and Coordinator STRIDE scheme, Dr Ruban S and Ms Sumitha Achar, staff coordinators were present. Sixty-five were present for the FDP.

**T**he MoU between AIMIT St. Aloysius College (Autonomous) and Tata Consultancy Services Limited (TCS) was renewed on August 17 at AIMIT campus for a period of three years. The renewal agreement was signed by Dr (Fr) Praveen Martis SJ, Principal (St Aloysius College), Dr (Fr) Melwyn Pinto SJ, Director, AIMIT and

Chandra Koduru, Global Head, Academic Interface Programme, TCS.

The designed curriculum by TCS will be continued for a further period of three years for the PG department of MSc Big Data Analytics (BDA). As per the agreement, TCS will recruit a certain students of BDA for internships and job placements annually. There will be a representative from TCS in the board of studies of BDA department.

Praveen, Academic Relationship Manager, TCS, Magesh BJ, Programme Manager for MSc. Big Data Analytics course, TCS, Dr Alwyn D'Sa, Registrar, St Aloysius College (Autonomous), Dr Hemalatha N, Dean, Academics (IT), Dr Rakesh Kumar, HOD, BDA, where present.

## Visit to Care and Support Centre

AIMIT celebrated Onam, the cultural festival of Kerala, on September 3. Over two hundred and fifty students of Kerala who are studying in the I year at AIMIT took lead in celebrating the festival.

Dr (Fr) Melwyn Pinto SJ, Director, inaugurated the programme by playing the drums. In his inaugural speech, he said, "Onam is a special feast for the Keralaites as it brings everyone together. I wish and pray that this com-

munal harmony might grow because of this celebration." He called upon students to understand each other, be with each other and then experience the joy of different communities.

In her message, Dr Hemalatha N. Dean (Academics, IT), spoke about the efforts the students have put together to make this celebration a success. "The Onam festival is celebrated to honour King Mahabali who is believed to be visiting Kerala at the time of Onam. We must all take part in this Onam celebration with love and harmony," she said.

Dr Swapna Rose from MBA department said, "Onam is all about joy and happiness and togetherness. This festival brings a lot of togetherness and harmony." She appreciated the students for the beautiful flower carpets (Pookalam) they had made.

Students danced to the tune of the drum beats. Games such as tug of war were conducted. Traditional sweet payasam was distributed to all.

On September 18, 2022, as part of SAHAAYA exposure, the Center for Environmental Concern organized a visit to the psycho-social rehabilitation centre Seon Ashram-Gandibagilu, which serves a variety of target groups including the elderly, physically impaired, and specially challenged people.

Students conducted recreational activities, ward visits, orientation, and interactions with the inmates. It helped to cultivate empathy for the underprivileged to be exposed to them. From the AI-Ca-Na association, Bio-Science association, Genotech association, and Microgen association, forty-four students actively engaged.

Ms Shameena K A, Dr Sana Sheik and Dr Vaishali Rai M faculty from different department accompanied the students.

## Teacher's Day Fiesta

Teacher's Day Fiesta was celebrated on 30<sup>th</sup> August and 5<sup>th</sup> September 2022. On 30<sup>th</sup> August a volley ball and throw ball match for both men and women were organized by the Student Council for our beloved Teachers.

On the 5<sup>th</sup> of September our teachers were honored with roses and book marks made by the students. Later that evening The Variety and Cultural Programme was held where our teachers showcased their talents and the office bearers along with The Principal performed for the teachers. The winner of the Variety was Dr.Dinesh Nayak from the department of Kannada and the runner up was Ms.Meghana A from the department of Chemistry.

Monthi Fest, the Nativity of Mother Mary (Mother of Jesus), was celebrated at AIMIT, St Aloysius College (Autonomous), on September 7. The statue of infant

Mary was carried in a procession after the faithful honoured Mary with flowers.

In his homily, Dr (Fr) Melwyn Pinto SJ, Director AIMIT, called upon the faithful to take inspiration from Mother Mary who was an embodiment of God's grace on earth. "She was an ideal mother who offered to God mysteries that she found difficult to comprehend. She also had a sensitive heart through which she reached out to those in need. And as much as she was mother of Jesus, she

was also his most ideal disciple, for she did the will of God in her life and all that Jesus stood for, she put into practice in her life," Fr Pinto said.

Students of AIMIT joined the choir which was coordinated by Dr Rowena Wright. New corns were blessed at the celebration. After the mass, traditional payasam and sugarcane were distributed to all.

Dr Swapna Rose, faculty, MBA department, AIMIT, conducted a peer learning session about her experience at the Erasmus Plus programme with the MBA faculty of AIMIT as part of the micro learning series on Aug 17. She had participated in the international staff week hosted by Universidad Católica de Valencia (UCV) Spain from May 2-6, 2022. The trip was sponsored by Erasmus + which included air travel and daily allowance totaling 1940 Euros. This exercise was part of the MOU St Aloysius College has with UCV for staff and student exchange programmes.

In the peer learning session, Dr Rose shared her learning experience from her visit to Spain. Twenty eight participants from 12 countries had taken part in this one-week training programme. Dr Rose described her job shadow-

ing experience from sessions on 'Innovation Management', 'Business Growth' and 'Entrepreneurship' that she attended there and said that these sessions were presided over by Prof. María Gil, Prof. Javier Muñoz, and Prof. Paco Lara.

In her peer learning session Dr Rose highlighted the importance of travelling and the role it plays in broadening one's horizons, the exchange experience itself and the ability to appreciate the other culture. She also highlighted intercultural communication, collaborative online international learning (COIL), a virtual exchange platform available for students to interact with foreign students, the pedagogy used in UCV and the best practices in education system of both the countries.

In her concluding remarks dean Dr Rajani Suresh, dean MBA, mentioned that it was overall a fruitful, learning session for all the faculty members and also opined that faculty could find out the possibility of having COIL in the pedagogy as an add on course.

A **Discussion on Internship/training experience** was held on **12.9.2022**. Second-year students were asked to share their internship experiences as part of a BIONEX Association activity. Students discussed their experiences and the knowledge they gained through industrial training. This provided the batch with a good understanding of the working environment in the industry. Furthermore, the students were asked to plan their year's activities through group discussions. 50 students took part in this activity.

### Workshop on Relationship and Christian Values

Centre for Extension Services on 15<sup>th</sup> of September 2022 organized a workshop on the theme Relationships and Christian Values for all the Catholic Students of BCOM, BBA, BVOC and students from AICUFF Association.

450 students participated in it. The resource person Ms Maria Sangeetha Sanjeevi, and her music team came from Divine Retreat Centre, Potta Kerala

The resource person Ms Sangeetha Sanjeevi, explained with examples and from real life stories the importance of relationship with own parents and friends. She emphasized the theme by quoting some verses from the Bible. The workshop concluded with the Blessed Sacrament Adoration.

### Guest talk on "Pathology in Disease Diagnosis"

On September 19, 2022, at 1:15 p.m., a guest talk on "Pathology in Disease Diagnosis" was organised at the department of Post Graduate Studies and Research in Biochemistry, St Aloysius College, Mangalore, in Room L 201. **Dr Amanda Christina Pinto**, Assistant Professor, Department of Pathology, Kasturba Medical College, Mangalore, was the guest speaker. The talk was attended by 50 participants.

She discussed histopathology and its workflow for diagnosing diseases. She shared many of her challenging and interesting experiences as a pathologist. She described how a disease is diagnosed through a collaborative effort of various departments; for example, a microbiologist would identify the infection and a biochemist would test for severity and spread. She also discussed how the diag-

nosis would aid in prescribing the proper medication to patients. Finally, she stated that she enjoys her job because it is challenging and teaches her something new every day. She would not prefer to work in front of a computer. She encouraged all students to be curious, to ask questions, and to seek answers.

*Reported by Dr Pallavi Baliga*

Bionex association was inaugurated on 19.9.2022. Dr Amanda Pinto, Assistant Professor in the Department of Pathology at Kasturba Medical College Mangalore, launched the Bionex Association of PG Biochemistry. The keynote speaker spoke about the role of "Pathology in Disease Diagnosis." She encouraged students to cultivate an inquisitive spirit and to take on new challenges. 50 students took part in this activity.

A collage competition for first- and second-year PG biochemistry students was organised as part of the association activity on 26.9.2022. Bioremediation was the collage-making theme. Students took part in the event in

groups. The collage was evaluated using the following criteria: creativity, neatness, topic relevance, teamwork, and visual impact. The event was an excellent team-building activity that raised student awareness of bioremediation measures. 35 students benefitted from this activity.

To create awareness on garbage-free city for Seva Diwas under Swachh Amrit Mahotsav, Sea shore clean drive was organised by Dakshina Kannada district Administration on 17th September, 2022 at Panambur. On this occasion 137 students of various association under CCC2, St Aloysius College (Autonomous) Mangalore participated in this Campaign

## Pragathi the Skill Development Programme 2022

Pragathi the skill development programme for the students of St Aloysius college (Autonomous) was held on 26<sup>th</sup> and 27<sup>th</sup> August in college premises. The objective of the programme was to encourage integral development of students which is the essential feature of modern holistic education.

3675 students took part in the interactive session, which were based on various skill-based topics taken up by 113 eminent resource persons from different walks of life. Out of this lot 52 were external resource person and 61 were internal resource persons. On the whole 370 students were held in 74 rooms across 3 different blocks i.e. Arrupe Block, Administrative Block and Xavier Block. They imparted knowledge and inculcated skills among the students, which provide a fruitful experience to participants. Topics like communication and effective learning, interpersonal skills, conflict management, team building, leadership skills, self-motivation, time management, goal setting, social awareness, marriage and responsibility give an enriching experience to the students. Students expressed their opinion through feedback form taken at the end of each session. Their feed back is found

to be very encouraging in general and were happy about the topics dealt in terms of the resourcefulness of facilitators. All the sessions were interesting in general and designed so as to particularly improve personality, communication skills, spiritual development and integral growth of individuals.

Feed back was also taken from resource persons from both external institutions and internal members. All expressed their appreciation regarding the organization and hospitality provided. They were particularly happy about the infrastructure and logistics arrangements of the College.

*Reported by Dr Anup Denzil Veigas*

Inauguration of NSS activities for the academic year 2022-23 was held on 23<sup>rd</sup> September, 2022. Dr. Uday Kumar B, NSS Programme Officer, St Agnes College (Autonomous), Mangaluru was the chief guest of the Programme.

A Guest Lecturer by Prof. Vinay Krishna on the topic "How to prepare a Business Plan for Entrepreneurship?" was delivered to all II Sem MCA students at 11 am in the Upper MDP hall.

## Epitome 2022

**Epitome 2022** – The 21<sup>st</sup> Edition of the National Level IT & Engineering fest was conducted on 4<sup>th</sup> & 5<sup>th</sup> August, at the School of Information Technology & Bioinformatics, AIMIT campus.

- The Fest was a two-day run, scheduled in line with conducting variety of events. This year's Epitome theme was "Retro"

- The program was inaugurated on the 4<sup>th</sup> of August 2022 at 9.30am by Mr. Prashanth Shenoy Katpady, Director, CEO, Mangalore Infotech Solutions Pvt. Ltd.
- Dr (Fr) Praveen Martis SJ, Principal of St Aloysius College (Autonomous), Mangalore presided over the function. Dr. Fr Melwyn Pinto SJ- Director of AIMIT, Dean-Academics, Staff coordinators, and student coordinators were also present on the stage.
- The program started with invoking the presence of almighty by the college choir.
- Dr. Hemalatha N, the Dean of IT Dept welcomed the gathering.
- The inaugural speech was delivered by Mr. Prashanth Shenoy Katpady. He appreciated the designs of Epitome Posters and brochures.
- In his talk, Mr. Prashanth said, "It is very important to understand where the technology world is moving towards." As students, you must all adapt to the new technologies and keep yourselves updated, so that you will be able to get the opportunity, to work with the new age companies, where the new technologies are the new normal.
- In his address, Dr. Fr. Melwyn Pinto SJ said that Mr. Prashanth Shenoy is a great inspiration for all students because at this very young age he is already the CTO of Mangalore InfoTech. "The IT sector is one of the sectors which is doing very well in the pandemic period." The IT sector gives the world many possibilities and solutions. He also added students who have opted for IT have a very bright future, provided they work very hard."
- In the presidential address, Dr. Fr. Praveen Martis SJ urged that Mangalorians must come back to Mangalore and help in the development of this place. We must all create a harmonious and welcoming situation here. He also added that there are so many potential people in Mangalore that job opportunities must be created for all.

Vote of thanks was rendered by the Epitome Coordinator Dr. Rakesh Kumar B. The inaugural function concluded with the College Anthem.

Nine student teams from various BE and MCA colleges had registered for Epitome 2022. Various competitions of Epitome were spread across two days. Every event had 3 to 5 rounds of selection. The events were conducted in the Auditorium, Gallery rooms, class rooms, Labs, and Lower MDP. One MCA team from Vivekananda College of Engineering and Technology, Puttur, one BTech team from PACE, one

BE team from PACE, one MCA team from Cochin university of Science & Technology, one MCA team from NMAMIT, Nitte, one MCA team from Srinivas University, Pandeshwar, One MCA team from Srinivas Institute of Technology, Valachil, one MSc team from St. Philomena College, Puttur, one MCA team from SJEC participated in the following events.

- The event Peaky Blinders (IT Manager) was conducted by Dr Jeevan Pinto. Various rounds of Peaky Blinders were judged by Mrs. Suchetha, Mrs. Krishna, Mr. Vinay Krishna, Mr. Justin, Dr. Swapna, Dr. Ruban, Mrs. Ananya and Mr. Lanwin
- The event Mosaic (Web Development & Coding) was conducted by Mrs. Manimozhi R and judged by Mr Thomas C.G
- The event Obscura (Photography & Videography) was conducted by Mrs Annapoorna Shetty and judged by Mr Joel Shaman Dsouza
- The event Boogie Woogie (Solo Dance Competition) was conducted by Dr Rakesh Kumar and judged by Mrs. Anushree Raj
- The event Bell Bottom (Style the outfit) was conducted by Mrs. Nausheeda B S and judged by Mrs. Harinakshi
- The event Pixar (Logo recreation & IT Meme making) was conducted by Dr Hemalatha N. It was judged by Dr. Pooja Nagpal and Mr. Ravi K
- The event Super Mario (BGMI & Counter Strike) was Conducted by Mr Roshan Suvaris
- The event Abacus (IT Quiz) was Conducted by Mr. Aravinda Prabhu
- The event Takeshi's Castle (Treasure Hunt) was conducted by Mr Srinivas.

On the 4<sup>th</sup> evening, students enjoyed a Byla performance in the lower MDP hall

The valedictory of Epitome was held on 5<sup>th</sup> August at 4.30pm in the auditorium. It was graced by Ms Padmashree Alva- Director, Talent & Initiatives, MResult, and presided over by Fr Melwin Pinto SJ-the Rector of St Aloysius Institutions, Mangaluru.

The Epitome Coordinator Dr. Rakesh Kumar welcomed the gathering. The organizing secretary Mrs. Manimozhi R delivered the report of events for the two days' fest.

The Infovision Coordinator Mr. Aravinda Prabhu delivered the report of events for the UG fest Infovision 2022.

The chief guest Ms.

Padmashree Alva addressed the students and told them that, coming forward to participate in events itself is a victory. So all participants of Epitome were winners.

Dr. Fr. Melwyn Pinto SJ-Director, Aimit gave his words of wisdom. Fr Melwin Pinto SJ-the Rector of St Aloysius Institutions delivered the presidential address.

The prize distribution was conducted by Dr. Ruban S. The participation certificates were distributed to all teams by the Rector. The prize winners of individual events were awarded with mementos and cash prizes by the chief guest.

The runners up of Epitome 2022 was Srinivas University and the winners were NMAMIT, Nitte.

Dr. Hemalatha N – Dean, Academics delivered the Vote of Thanks. The program was concluded with the National anthem.

## InfoVision2022

A national level intercollegiate UG Fest, Organized by the PG Dept. of AIMIT, St. Aloysius College, Mangaluru. **InfoVision2022** – The inauguration of the national level intercollegiate UG Fest was held at Information Technology Department of AIMIT, St Aloysius College, Mangaluru and coordinated by staff coordinators Dr. Santhosh B and Mr. Aravinda Prabhu and student coordinators Mr. Rohan and Ms. Josphine.

- The program held on 5<sup>th</sup> August 2022 at 9:30 a.m., the fest was held for one day scheduled in line with conducting few events for undergraduate students.
- Mr. Adarsh Prabhu, Associate Director, Niveus Solutions Pvt. Ltd., inaugurated the programme, Dr Fr Melwyn Pinto SJ, Director, AIMIT, St Aloysius College, Mangaluru presided over the function.

- The program started with invoking the presence of almighty by college choir. Dr. Santhosh B HOD of MCA department welcomed the gathering and also, he gave some introduction about InfoVision as platform for young students to showcase their talents. The theme of the event is “Retro Back to 70’s”.
- Student coordinator Ms. Josphine introduced the chief guest.
- The inaugural speech was delivered by Mr. Adarsh Prabhu and he emphasized on change in technologies in past two decades and importance of dedication, hard work and soft skills which can be gained through these kinds of events where students will learn to interact and management skills. Mentioning an example of cricketer Mr. Anil Kumble quote on his achievement of taking 10 wickets is a result of 20 years of determination and dedication.
- In his presidential address Rev Fr. Melwyn Pinto SJ pointed out dedication and determination need to be followed by students by mentioning a quote of Swami Vivekananda “the youths are not useless but used less” to highlight about time management and using opportunities.
- The vote of thanks was delivered by Mr. Rohan student coordinator followed by the college anthem to conclude the inaugural function.
- More than 35 teams were registered from colleges across Dakshina Kannada district participated in Info-Vision 2022.

The following were the events conducted...

- ◇ In the event coding (COBOL) around 20 teams participated, headed by Dr. Santhosh B with student coordinator Ms. Ashlin, Mr. Hasan Razeen and Mr. Vishak V Nambiar. The event was judged by Dr. Santhosh B and Mr. Srinivas BL.
- ◇ In the event Photo Collage (TAPESTRY) around 19 teams participated, headed by Mrs. Vanitha with

student coordinators Ms. Ramyashree K, Ms. Nishmitha and Ms. Sheetal. The event was judged by Mrs. Vanitha and Mr. Sumukh bhat.

- ◇ In the event Model Presentation (Dexter’s Laboratory) around 9 teams participated, headed by Mrs. Anushree Raj with student coordinators Ms. Dishali, Ms. Harhsitha and Ms. Ashil. The event was judged by Mrs. Anushree Raj and Dr. Kavitha Mahesh

A one-day national workshop on **Introduction to Bioinformatics** for undergraduate students was organised by the PG department of Bioinformatics & IT. It was on August 17 at AIMIT, St Aloysius College (Autonomous), Mangalore. A total of 95 undergraduate students from various colleges from Kasargod and Mangalore, attended the workshop.

Dr (Fr) Melwyn Pinto SJ – Director AIMIT, resource person Lanwin Lobo, Director MResult Pvt Ltd Mangalore, Dr Hemanlatha N Dean, IT, Mrs. Anushree Raj, staff coordinator, were present.

In his inaugural address, Fr. Melwyn Pinto gave a brief annotation on the current demand and necessity for bioinformaticians in India and abroad. He emphasised how the combination of life science and computational science

can be a boon to mankind. He called upon the participants to be passionate towards whatever path they choose for their future.

The workshop consisted of three sessions. Mr Lanwin Lobo was the resource person for the first session. He gave a deep insight on what is bioinformatics and elaborated the significance of learning bioinformatics. He encouraged the participants giving his own example on how he could transform his passion in programming being a bioinformatics graduate.

Mrs. Anushree Raj was the resource person for the second session on bioinformatics application, scope, and career. She highlighted the impact of bioinformatics in various fields of life sciences and how each field could adopt bioinformatics for its advancement. She also gave a clear idea of the job opportunities and career path available for bioinformatic graduates.

The afternoon session was a hands-on session by Dr Hemanlatha N and alumnus Shradha. The hands-on session gave an exposure to various tools like BLAST used in bioinformatics and also the usage of NCBI databases for various purposes.

The workshop was concluded with a thank you note by Ms Prathishta.

## Guest talk on Drug Discovery, machine learning and Artificial Intelligence (AI)

On 05/09/2022 an online guest talk was organised from the Post Graduate Department of Biochemistry from 2:00 to 3:00 PM on the topic "Drug Discovery, Machine learning and Artificial Intelligence" by our Department Alumni student, Ms. Karen VanHaltren who completed her MSc Biochemistry, St. Aloysius College (Autonomous), Mangalore in the year 2010. She is currently working as a Biomedical Data Quality Lead, in Exscientia Oxfordshire, United Kingdom. Ms. Karen VanHaltren gave us a brief information about

the processes involved in the drug discovery, hardship experimentation conducted and the results and marketing of the drugs. She also gave an idea about scope and opportunities available in the drug discovery field for the Post graduate Biochemistry students. It was a very fruitful session since students got to know about the opportunities in the Biochemistry field.

A total 50 participants attended the guest talk and gave good feedback about the talk.

## Symposium On Constitutionality as India Completes 75 Years of Independence

On the 06/09/2022, the department of PG Studies and Research in Social Work organized a symposium on "Constitutionality as India completes 75 years of independence".

The symposium started at 2:00pm with one of the student coordinators welcoming the resource person, as well as all the teachers in the PG Department of social work. The student coordinator introduced the resource person Fr. Cedric Prakash a member of the Society of Jesus of Gujarat in India. He is currently based in the city of Ahmedabad Gujarat in western India. He is well known for his work on human rights, reconciliation and peace activism, with a focus on advocacy.

Rev Fr. Cedric Prakash SJ, spoke about the liberty and equality in India, the issues faced by the Indian caste and the class society. He gave some examples of discrimination and division among the caste and class in the society. He also spoke about the freedoms as given in Indian Constitution highlighting that Indian citizens

have the right to speech, religion, press, assemble. This session helped students to understand the relevance of fundamental rights. A total of 100 students attended the session.

At the end of the session students were asked to pose enquires or doubts on the topic, followed by vote of thanks by one of the student coordinator.

## The blessing and inauguration of the Xavier Computer Lab and renovated UG Biotechnology Lab:

The blessing and inauguration of the Xavier Computer Lab and renovated UG Biotechnology Lab held on 19.9.2022

The theatre enthusiasts in Mangalore were up for a treat as they witnessed a theatrical performance here on Sunday, the 21<sup>st</sup> of August. The theatrical event was jointly conducted by St Aloysius Ranga Adhyayana Kendra, Department of Kannada, St Aloysius College Astitva (R), Mangalore and Spinning Tree Theatre. The event hoisted a solo theatrical performance by actor and theatre personality, Mr Shakeel Ahmad. Mr Ahmad is an alumnus of Ninasam Theatre Institute, Heggodu, Karnataka and the prestigious Intercultural Theatre Institute (ITD), Singapore. His eminence in the field, with an experience of over 15 years has led him to the University of Kent, England to pursue M.A. in Theatre Making.

Theatre artistes and enthusiasts from in and around Mangalore attended the play and made it a successful event. St Aloysius Ranga Adhyayana Kendra, a unit of St Aloysius College, Mangalore has provided a platform to various theatre artistes and teams in the past years and works with a vision to make Mangalore a hub of theatre activities. The focus is also on exposure and engagement of students in theatre related activities.

St Aloysius Ranga Adhyayana Kendra intends to organize art/theatre oriented activities like plays, musicals, poetry recitals, movie review sessions of local, national and international artistes and teams every month and seeks support from all the art lovers of Mangalore, since it can usher the change in the mindset of the coming generation and the present one.

## Retro Economics - Budget Planning

The Amaritha association of the Department of PG Studies and Research in Economics has organised a budget planning activity on account of retro economics on 22-09-2022. Retro means to showcase the ancient beauty of economics in this modern Era of economics how the change has brought in to this world by the ancient econo-

mists and the impact that brought in to the economic origin among the beings. Here we divided them into 4 groups and assigned them with great 4 economists JM Keynes, Alfred Marshall,

Adam Smith, David Ricardo and advised them to bring in the budget plan in their Era and the activity was a suc-

cess were we fulfilled the being of how the ancient economists would have brought in the budget plan into light if there was a kind of budget plan and then we discussed about the social extension which will be held in government schools.
